Message from the Chapter President.

To Our Members:

On behalf of your Chapter Officers, we would like to wish you and your family a very happy and healthy New Year in 2011. Chapter 73 has had a very active year. During the February meeting, a new group of officers were installed. We would like to thank you all for the support provided during the year.

- In May, we held perhaps the first meeting outside of the State of Wisconsin. We met in Rockford, Illinois, and toured Camp Grant which was an Army training facility during World War I and II.
- In July, our annual Camp Schofield was held at the home of Rollin and Kathy Church in the Wautoma area.
- The fall meeting was held in Madison at the Wisconsin Veterans Museum with a guided tour by Bill Brewster, the curator of the museum.

I hope that you were able to join us for all of the Chapter activities. If not, try to make as many of the 2011 meetings as possible.

Our next Chapter meeting will be 12 February 2011 in Green Bay. Les Beam always does a great job of organizing this event. Let's have a large turnout to support his efforts on our behalf. Remember, this is our one meeting of the year where we highlight the women of Chapter 73 at the banquet. We would love to have you join us in Green Bay. More information will be forthcoming after New Year's.

Until then..... De Oppresso Liber

John Gianos
President

Last Meeting: Our last meeting at the Wisconsin's Veteran's Museum had a great turnout. It was one of our largest turnouts for some time. There were also a number of guests who come including two of our ROTC award recipients: Cadet Ben Furnar and Cadet Joe Zakasasen. The chapter was taken on a private tour by Curator Bill Brewster. Bill shown a number of items and explained the history behind them. After the tour the chapter viewed the museum's display that was dedicated to the war in Afghanistan. Part of this display was a wall dedicated to Wisconsin's fallen service men and women. Yes freedom comes at a price. For those who were not able to attend we would encourage you to visit the museum if you are ever in Madison.

Special note from the Chapter Secretary:

I want to apologize if there was some confusion on the location of our last meeting. Since the chapter had visited the museum before, I did not provide a map with the museum's location. I did not think of those who had not been there before. I will make sure that a map is provided for meeting locations in the newsletters and posted on the web site.

I sincerely apologize for any inconvenience that this may have caused.

Bobby Nixon, Chapter Secretary
